the Laboratory workers of the Food Analysts employed by the Municipal Corporation in the Public Health Institutes previously it was only Rs 250/- per annum there is no regular authority for the payment of Rs 500/- per year on this behalf.

It was requested that the increase proposed was due to the increased consumption of gas & chemicals & increase in the number of food samples examined year by year & that the enhanced provision of Rs 500/- per year is necessary. Hence the payment of Rs 500/- as lump sum payment of the funds to the Public Health Institutes every year from year 1940-41 maybe approved provision may be continued hereafter in the Budget on the same basis in future years also.

SIR

Adverting to Government Order No L 3004-7/41 12-34-61 dated 25-10-1934, stating that a lumpsum of Rs 250/- may be provided in the budget of this Municipality every year towards the cost of equipment of the laboratory materials of the Food Analyst, I have the honour to state that the question of enhancing this contribution to meet the increasing demand was considered by the Municipal Council at the time of discussion of the budget estimates for 1940-41 and an increased provision of 500/- was made in the budget of 1940-41 and the same was approved by Government in their order No L 4440-4/41 125-402 dated 7-12-1940, while sanctioning the budget estimates of 40-41 and the same amount was being provided in the succeeding budgets also A sum of Rs 500/- was paid during 41-42 for the purpose and the Superintendent, Public Health Institute, Bangalore has sent in a bill for 500/- for 42-43 A sum of Rs 500/- has been provided in the budget of 43-44 and is included in the sum of Rs 5,100/- provided under E 1(a) Food Analyst and Food Inspector But the Auditors have taken objection to passing the bill on the ground that mere provision in the budget was not enough and that specific sanction was necessary to admit the bills in audit

In these circumstances I request that orders of Government may be kindly obtained approving the lumpsum grant of 500/- for equipment of the laboratory materials required by the Food Analyst

I have the honour to be,
Sir,
Your most obedient servant,

SIR

With reference to your letter No L 8003/41 dated 4-2-1944 requesting to intimate the circumstances under which the provision was enhanced from Rs 250/- to Rs 500/- per annum etc I have the honour to state that increase of provision was due to increased consumption of gas and chemicals etc , and increase of food samples in number year by year as stated in the letter of Director of Public Health (copy enclosed for reference)

As regards reduction of the pay of the clerk to Rs 25/- it may be stated that one Mr V K Suryanarayana who was permanent on Rs 50/- was posted to this place after his transfer from the Office of the Private Secretary to H H the Maharaja Therefore his pay here was drawn in the year 1938-39 maximum in the grade of 25-1-40 + 10/- I A As the Official was then transferred to Revenue Section as its Examiner, a Clerk drawing minimum pay of Rs 25/- was posted to this place Hence the reduction in the scale from Rs 50/- to Rs 25/- from 1939-40

I request that orders of Government may be kindly accorded for the payment of lumpsum grant of Rs 500/- provided for in the budget every year

I have the horour to be,
